RE: Request for Nonsubstantive Revision to Petition for Injection Wells WDW-129,  
WDW-273, and WDW-324

Dear Mr. Donovan:

This letter is in response to your February 13, 2006, notification of name change for the ASARCO Incorporated, injection well facility in Amarillo, Texas, to ASARCO LLC. The Agency agrees that this change does not affect the original petition demonstration and is a nonsubstantive revision. Therefore, the Agency has modified its files to reflect the ownership change mentioned above. The petition approval conditions of our July 2, 1999, reissuance are still in effect. If you have any questions or comments, please call Philip Dellinger at (214) 665-7165.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Miguel I. Flores", is written over a printed name and title.

Miguel I. Flores

Director

Water Quality Protection Division
